Vision 97

DAGMAR AND VÁCLAV HAVEL FOUNDATION

The Foundation of Dagmar and Václav Havel, VISION 97, was created to continue the ideas and initiatives of President Václav Havel, whose thirteen years as President of Czechoslovakia and the Czech Republic and leadership in the advancement of democracy and freedom in Eastern Europe is legendary.

A human rights activist, dissident, author, poet, playwright and political prisoner prior to his Presidency, Václav Havel established his Foundation to sponsor activities supporting democratic values, personal liberty, human rights and freedom of expression around the world, especially in places where governments continue to oppress people and their ideas.

The Foundation's goal is to foster communication, understanding and ultimately, cooperation among the world community and provide a vision for the future based on the thought leadership provided by President Havel throughout his life.
